## Sew Necessary

In this, our third issue of *Decorated Apparel Product Guide*, we bring you a selection of sharpness, support and sinew personified. That's right folks, your ever-loyal pals, needle, backing and thread. Far from incidental, these products represent the very foundation of your embroidery operation. The lifeblood of your art; the fundamental; the basis. You know, the essentials.

### Ackermann North America

The Magna-Glide bobbin is prewound and features a magnetic core that creates uniform tension and eliminates the use of backlash spring bobbin cases. It is available in white style "L" and is made from 132 yards of polyester filament.

### HTCW Inc.

Get "invisible" support with this 1.5-ounce no-show nylon stabilizer, available in fusible and nonfusible versions. It comes in 6- and 8-inch precut squares in packages of 250, or in 100- and 200-yard-long rolls, 60 inches wide.

### Texmac

Ultrapros metallic 100 denier thread, made from 100% polyester, creates a metallic look without the effects of metallic thread. It comes in silver (style G27) and gold (style G26).

### The Embroidery Store

Lightweight cutaway is a wet-laid nondirectional backing that works well on light and medium knits. A 2.5-ounce medium cutaway and a 3-ounce heavy-weight cutaway also are available. Each variety comes in rolls or precut squares.

### Madeira

Polyneon #60 is the newest addition to the company's line of polyester filament threads. Available in 45 colors, Polyneon #60 threads eliminate looping, puckering and thread breaks, according to the company.
